to exert more oversight and control over offerings that are conducted overseas and/or $\,$

foreign investment in China-based issuers, acknowledge the risk that any such action $% \left(1\right) =\left(1\right) +\left(1\right$

could significantly limit or completely hinder your ability to offer or continue to offer

securities to investors and cause the value of such securities to significantly decline or be

worthless. Please include your proposed disclosure in your response

letter. Item 4. Information on the Company B. Business Overview, page 90

3. We note your disclosure that the Cayman Islands holding company controls and receives

the economic benefits of the ${\sf VIE}$ s business operations through contractual agreements

between the VIE and your Wholly Foreign-Owned Enterprise (WFOE) and that those

agreements are designed to provide your WFOE with the power, rights, and obligations $% \left(1\right) =\left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left$

equivalent in all material respects to those it would possess as the principal equity holder

of the VIE. We also note your disclosure that the Cayman Islands holding company is the $\,$

primary beneficiary of the VIE. However, neither the investors in the holding company

 $% \left(1\right) =\left(1\right) \left(1\right) +\left(1\right) +\left(1\right) \left(1\right) +\left(1\right) +\left(1\right) \left(1\right) +\left(1\right)$

or control of, through such ownership or investment, the VIE. Accordingly, in future

filings, please refrain from implying that the contractual agreements are equivalent to

equity ownership in the business of the VIE. Any references to control or benefits that $% \left(1\right) =\left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left(1\right) +\left(1\right) \left(1\right$

accrue to you because of the VIE should be limited to a clear description of the conditions

you have satisfied for consolidation of the VIE under U.S. GAAP.

Additionally, your disclosure should clarify that you are the primary beneficiary of the

VIE for accounting

purposes. Please also disclose in future filings, if true, that the

VIE agreements have not been tested in a court of law. Please include your proposed disclosure in your response

letter.

4. We note that the consolidated VIEs constitute a material part of your consolidated

 $\qquad \qquad \text{financial statements. In future filings, please provide in tabular} \\ \text{form a condensed} \\$

consolidating schedule that disaggregates the operations and depicts the financial position, $% \left(1\right) =\left(1\right) +\left(1\right$

cash flows, and results of operations as of the same dates and for the same periods for $% \left(1\right) =\left(1\right) +\left(1\right) +\left($

 $\dot{}$ which audited consolidated financial statements are required. The schedule should present

major line items, such as revenue and cost of goods/services, and subtotals and $% \left(1\right) =\left(1\right) +\left(1\right) +\left($

disaggregated intercompany amounts, such as separate line items for intercompany

receivables and investment in subsidiary. The schedule should also disaggregate the

parent company, the VIEs and its consolidated subsidiaries, the WF0Es that are the $\,$

primary beneficiary of the VIEs, and an aggregation of other entities that are consolidated.

The objective of this disclosure is to allow an investor to evaluate the nature of assets held $% \left(1\right) =\left(1\right) +\left(1\right) +\left($

by, and the operations of, entities apart from the VIE, as well as the nature and amounts $% \left(1\right) =\left(1\right) +\left(1\right) +$

associated with intercompany transactions. Any intercompany amounts should be

presented on a gross basis and when necessary, additional disclosure about such amounts

should be included in order to make the information presented not misleading. Please

include the proposed disclosure in your response letter.

5. In future filings, please prominently disclose that you are not a Chinese operating

company but a Cayman Islands holding company with operations conducted by your subsidiaries and through contractual arrangements with a variable interest entity (VIE) based in China and that this structure involves unique risks to investors. If true, disclose

that these contracts have not been tested in court. Explain whether

the VIE structure is

used to provide investors with exposure to foreign investment in China-based companies,

and disclose that investors may never hold equity interests in the Chinese operating

company. Your disclosure should acknowledge that Chinese regulatory authorities could

disallow this structure, which would likely result in a material change in your operations

and/or a material change in the value of the securities that you are registering for sale,

including that it could cause the value of such securities to significantly decline of become

worthless. Please include your proposed disclosure in the response letter.

In future filings, clearly disclose how you will refer to the holding company, subsidiaries,

and VIEs when providing the disclosure throughout the document so that it is clear to

investors which entity the disclosure is referencing and which subsidiaries or entities are

conducting the business operations. Refrain from using terms such as we

describing activities or functions of a VIE. For example, disclose, if true, that your

subsidiaries and/or the VIE conduct operations in China, that the VIE is consolidated for

accounting purposes but is not an entity in which you own equity, and that the holding

company does not conduct operations. Disclose clearly the entity (including the domicile)

in which investors are purchasing an interest. Please include the proposed disclosure in

your response letter.

In future filings, provide a description of how cash is transferred through your

organization and disclose your intentions to distribute earnings or settle amounts owed

under the VIE agreements. State whether any transfers, dividends, or distributions have

been made to date between the holding company, its subsidiaries, and consolidated VIEs,

or to investors, and quantify the amounts where applicable. Provide cross-references to the

condensed consolidating schedule and the consolidated financial statements. Please

include the proposed disclosure in your response letter.

We remind you that the company and its management are responsible for the accuracy

and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

You may contact Madeleine Joy Mateo at 202-551-3465 or Susan Block at 202-551-3210 if you have questions.

Sincerely.
